Dear Sirs

In reference to the certification audit carried out by BSI, we would like to thank you for awarding Eurotrack company Sp. z o. o. with the certificate of compliance for the implementation of the Quality Management System according to the requirements of ISO 9001 : 2000 for the scope of Sales & Service of Mercedes – Benz vehicles,

It was delightful to also host the Director of BSI Poland during the audit.

From our point of view the certification audit carried out by Mr Georg Lewestam was carried out in a professional and efficient manner. Thanks to the rich experience of Mr Lewestam the certification process was carried out in a partnership way whilst maintaining the objectivity and independence.

We hope that for future continuing assessment visits we may also be able to have Mr Georg Lewestam as auditor from BSI, as he is a professional person and acquainted with the details of our company.

Awarding the certificate to our company will be an additional motivation for success in the improvement of our implemented quality management system.
